### Education Africa Fair - Swakopmund, Namibia

Marondera University of Agricultural Sciences and Technology (MUAST) participated in the Education Africa Fair, held at Atlantic Junior Secondary School in Swakopmund, Namibia, from 17-19 February 2026.

MUAST was among several Zimbabwean universities present, including: Chinhoyi University of Technology, Bindura University of Science Education, and Great Zimbabwe University. The fair also featured key Namibian institutions such as the Namibian Qualifications Authority, Ministry of Education, National Youth Service, Students Financial Assistance Fund, Community Skills Development Foundation, and the Institute of Mining and Technology.

The MUASt delegation, which was led by the Pro-Vice Chancellor (Academic Affairs, Research and Administration), Professor Nomalanga Mpofo-Hamadziripi, included Dr Nation Chikumba - Executive Dean, Faculty of Plant and Animal Sciences and Technology; Engineer Epton Zindove - Acting Executive Dean, Faculty of Biosystems Engineering and Technology; and Ms Ruvimbo Clare Chibanda - Manager, Public, International Relations and Resource Mobilisation.

The three-day event attracted learners from various high schools across the Erongo Region. Students engaged enthusiastically, seeking information on study fields and entry requirements. The fair proved beneficial, with students leaving more informed about career paths and academic requirements.
