

MUA

MARONDERA UNIVERSITY
OF AGRICULTURAL SCIENCES AND TECHNOLOGY

VACANCIES

Applications are invited from suitably qualified and experienced persons to fill the following posts that have arisen in the University:

FACULTY OF BIOSYSTEMS ENGINEERING AND TECHNOLOGY

DEPARTMENT OF IRRIGATION AND WATER RESOURCES ENGINEERING

Lecturer/Senior Lecturer/Associate Professor/Professor - Civil and Water Resources Engineering (1 Post)

Qualifications and Experience

Applicants must at least have an earned Master's Degree in Civil Engineering and Water Resources Engineering or a closely related discipline. A Bachelor's degree in Civil Engineering or a closely related discipline is a must. Applicants with a PhD in Civil and Water Resources Engineering or registered PhD candidates and University teaching experience have an added advantage.

Duties and Responsibilities

The successful candidate will be expected to provide academic leadership in the Department, initiate, guide and contribute to basic and applied research, innovation and industrialisation programmes, as well as teach the following courses at Undergraduate and Postgraduate level: Fluid mechanics, Hydrology and Water Resources Management, Engineering Mechanics, Dam design and Project Planning and Management. The successful candidate will also be expected to engage in and lead high quality research projects that are aligned with the University's research focus areas to achieve success in attracting research funding and to produce high quality outputs. In addition, the candidate will be expected to coordinate and participate in the supervision of Undergraduate and Postgraduate research students.

Conditions of Service

Leave, contributory medical aid and pension are offered. Information on salary and other benefits will be made available to shortlisted candidates.

Applications

Applications should include the application letter, certified copies of certificates, national identification and a detailed Curriculum Vitae giving full personal details

including full names, place and date of birth, qualifications, experience, present salary, date of availability, names and contact details of three referees. Female candidates are encouraged to apply. Police clearance is mandatory for successful candidates.

Email your application dossier as a single pdf file to: vacancies@muast.ac.zw. Include the post you are applying for in the subject line. The closing date for receipt of applications is Friday 22 May 2026. Only shortlisted candidates will be contacted.

Please note that the University does not have Agents who receive applications on its behalf for advertised posts.
