

# WELCOME MRS. PRECIOUS HOVE

The Marondera University of Agricultural Science and Technology is pleased to welcome Mrs Precious Hove to the Faculty of Agribusiness and Entrepreneurship. Mrs Hove joined the University on the 1<sup>st</sup> of June 2019. The University hopes she will find working for an upcoming and emerging University rewarding and challenging.

Precious Hove holds a Master of Science in Strategic Management obtained from Chinhoyi University of Technology in 2009. She also holds an Honours in Business Management obtained from Midlands State University in 2004 and a diploma in education obtained from the University of Zimbabwe in 1998. She is also a holder of a research certificate from the University of Witwatersrand she obtained in 2013. Currently she is working towards her Doctor of Philosophy degree with the University of Witwatersrand (South Africa) and her topic is 'The strategic role of knowledge management in the growth and sustainability of Small, Micro to Medium enterprises (SMMEs) in Zimbabwe'.

*Mrs Precious Hove*

Precious Hove, a self-motivated, committed and ardent researcher has passion for business management and entrepreneurship. She has interests in new product development, entrepreneurship, strategic human resources,

development of small to medium enterprises and production and operations management.

Mrs Hove is an avid researcher with six publications in the area of businesses management and SMEs. Precious is also

a member of the Entrepreneurship Association

and she has won accolades for her immense contribution in students' entrepreneurship development.

Prior to joining MUAST, she worked as a teacher at Guinea Fowl High School from 1999 to 2007. From 2007 to 2019 she was employed by the Chinhoyi University of Technology as a lecturer.

The MUAST family wish her well and has faith in her abilities. As we work for a common MUAST goal, her contribution is integral.
