

MINISTRY DISBURSES \$10 MILLION TO MARONDERA UNIVERSITY OF AGRICULTURAL SCIENCES AND TECHNOLOGY (MUAST)

Minister, Professor, dr. Amon Murwira

The Ministry of Higher and Tertiary Education, Innovation, Science and Technology Development (MHTEISD) disbursed \$10 million to Marondera University of Agricultural Sciences and Technology (MUAST) for the purchase of furniture and computers. The Vice Chancellor of MUAST, Professor Justice Nyamangara, expressed his gratitude to the Ministry for this timeous disbursement will enable the University to prepare adequately for both its new and returning students at two of its campuses. He added that the acquisition of new furniture and additional computers for teaching and learning would improve the learning environment and the student experience.

Vice Chancellor, Professor Justice Nyamangara with the furniture bought for MUAST

The support from the Ministry to MUAST will go a long way towards training highly skilled workers while producing patented innovations and entrepreneurs that would lead to Zimbabwe attaining middle income status by year 2030.
