## **Professor Wonder Ngezimana appointed Director of the Quality Assurance Directorate**

Professor Wonder Ngezimana has been appointed as Director of the Quality Assurance Directorate. Prof. Ngezimana assumed the position on 1 July 2021.

Prof. Ngezimana holds a PhD. Agronomy (2012) with the University of Stellenbosch, South Africa, an MSc in Crop Production, Africa University, a Masters in Business Administration, and a BSc Honours degree in Agriculture (Crop Science), both from the University of Zimbabwe. He joined MUAST as a Senior Lecturer in January 2015 from the University of South Africa where he was a Research Fellow. He was promoted to Associate Professor in 2018.

Prior to his appointment as Director of the Quality Assurance, Prof. Ngezimana had been serving the University as Coordinator for the Quality Assurance Directorate from 1 May 2019.

Prof. Ngezimana is an extremely driven strategic researcher with excellent leadership skills and extensive experience in applied plant science-based research. His research work has

largely centred on commercialization of speciality plants, which spans from oil-seeds to nutra-pharmaceutical plants. To date, he has published over 40 academic peer-reviewed articles and has presented in several international conferences.

In his new role, he will provide leadership in Quality assurance issues within the university.

We wish him the best in his new role.
